TESOL

VIPkid partnered with TESOL (Teaching English to Speakers of Other Languages) to offer this certification. It involves watching videos, reading academic papers & taking 2 short quizzes online.

CERTIFICATION

Choose the levels you want to teach and present a mock class to a live coach. Each mock class lasts 10 minutes, and you can expect to do this several times as practice. The coaches will give valuable feedback to help you improve! Once they feel confident in your abilities, you will be granted the level certification. You may certify in multiple levels!

CONTRACT

Background check, uploading your documents & once everything is in place, you'll be able to sign that contract!

PROFILE

Prepare your bio, headshot, 2 lifestyle photos and your promo video (30-60 seconds!)
